Football and Basketball Scheduling & Scoring System

- The scheduling for Basketball and Football tournaments is to be done according to the pre-set tournament schedules mentioned in the respective handbook sections assuming the round robin format with playoff and no consolation game.
- Points awarded 3 for a win, 1 for a draw, 0 for a loss.
- Teams tied on points will be separated by the following items in this order:
 - 1) Head to head record between tied teams (if 3 or more teams are tied, head to head results do not apply).
 - 2) Fewest goals against.
 - 3) Best goal differential (goals scored minus goals against to a maximum of 3 for the difference).
 - 4) Most goals scored.
 - 5) Toss of a coin.

Weather delay scoring adjustment

In the case of inclement weather resulting in round robin games being cancelled or shortened, tie seeding results will be determined by 1) head to head, 2) point differential between the tied teams, (as opposed to points against) etc.
