Grade 8 EOTC Activities

Nusa Penida is small island located just offshore of Bali. This island is still very traditional and feels like Bali 25 years ago. Most of the population lives in the beach area and work as Fisherman and Seaweed farmers. Nusa Penida has beautiful marine life and is well known as the best diving and snorkeling site in Bali. Grade 8 students will explore Nusa Penida From Admadama Camp site, Limo village.

EOTC Schedule:

Day 1)

- Sharing circle- personal introductions, goal setting & Camp rules. Introduction to Camp facilities and team building culture or obstacles game.
 - Pick up at **BIS** School and walk to Sanur Harbor.
 - Departing to Nusa Penida Island via fast boat take around 40-45 minutes.
 - Arrival at Nusa Penida, transfer to our campsite at Limo village takes around 15 minutes.
 - Introduction to camp facilities & rules, briefing to pitch a tents & build own tents.
- Team building service, making Bird Nest. I planned to make bird nest by wood and ply wood. We provided instructor, material and tutorial pamphlet how to make it. They have to finish quiz or clue that we provided to get the material and tutorial. My point is they can build their own bird nest with our supervision.

- Bird nest installing & Trees Planting (focus activity).
 - Saving birds at Nusa Penida!!! keep their habitat exist and balancing their ecosystem by making bird nest and installing at some area which is well-known as big bird population. Especially Bali Starling.
 - Follow local farmers daily life. Introduction to traditional cultivation process with local farmer. Planting herbal and other plantation which is has benefit to local villager.

Day 2)

➤ Bird watching.

- Sunrise time is a good time to visit the bird, we can see they start the daily activities and impact of bird nest that we installed. Hope some birds are staying at our bird nest.

➤ Community Service. Students will construct public recycling bin and bookshelf.

- We will divided into 2 big group. 1 group will be making public recycling bin and other group will make bookshelf.

➤ Seaweed Farm Cultivation.

- Learn & practice how the local people harvest, replant and make use of Seaweed.

Day 3)

➤ Continue Community Service. Students will construct public recycling bin and bookshelf.

- We will swap the groups, finish the project and donate.
