

# BALI ISLAND SCHOOL

## EMERGENCY PROCEDURES 2018

### SHORT REPEATING SIREN

- All students/staff and visitors move to the back of the room they are in and get under the desks and cover their heads.
- Staff locks the door.
- Maintain position until instructed otherwise
- Snack or lunch on main campus - enter the nearest room and duck and cover.
- Big Field - find the nearest cover out of line of sight from the entrance.

### EARTHQUAKE

- All students/staff and visitors duck and cover under the nearest desk.
- Remain in place until told otherwise.

### LONG CONTINUOUS SIREN

- Remain calm and quiet – follow administration instructions (either via PA or spoken)
- Move out of classrooms in single file
- Move towards the assigned collection point as directed by administration.
- At the collection point take attendance and indicate status with green or red card.
