Overview

Pemuteran is one of well known destination for marine life conservation. Located in the north Bali, Buleleng regency, take around 4 - 5 hours to get there. Camp in the beach and middle of Pemuteran village. Dry and hot weather will accompany us during the camp. We will learn about Bio Rock reef artificial system, marine life, service and interaction to local community.

Trip Goals & Outcomes :

1. Get camping experience as new experience probably the students never had before, take & give philosophy and team building lesson.
2. Get experience and learn with community service-making toilet and donate to local community.
3. Get experience and learn more about Balinese cultural and local community interaction in different area in Bali.
4. Get experience and learn more about beaches, Bio Rock coral system and marine life.

EOTC Schedule:

Day 1, September 25th 2018

Sharing circle / ice breaking - personal introductions, goal setting/general program introduction & camp rules /management campsite.

Introduction to campsite- proper use of camp equipment, pitch our tents and campsite set up.
Camp games / team building games.

“Be Safe ,Have Fun,Learn & Experience Something New “

DARSHAN BALI
