

BIS Community Member Use of Facilities & Waiver

The BIS community is entitled to use our facilities after school hours and on weekends, when they are not scheduled to be used by BIS or by an outside rental contract. BIS Sports facilities are available as follows:

Swimming Pool – The swimming pool is available during daylight hours on weekends and until 9.00am on weekdays. The pool key is available from security on presentation of your school ID and must be locked with the key returned after swimming. Parents must be supervising students within the pool compound at all times.

Courts – The courts are available on weekends during daylight hours only on a first come first served basis. They are also available until 9.00am weekdays.

Climbing Wall - Due to the inherent risk involved clearance must be obtained in advance from the Student Life Coordinator

Big Field – this is available weekends during daylight hours and only for family groups – not for organised games. Weekdays the field is available until 9.00am for running. The holiday breaks are the time the grass gets to repair ready for the new term.

NOTE – for all facility use please remember it is for the BIS community only and any BIS students must be accompanied by their parent. Drivers/pembantus are not permitted to take responsibility for your children on school grounds outside school hours. Please present your BIS ID to security and sign this form before use.

I, _____, and my direct family members will use the BIS facility. I take responsibility for maintaining the safety of my family members. I ensure that the facilities will be returned to their original state. Should I or a member of my family cause an item to break, I will accept the consequence of the repair and any financing required.

I acknowledge that BIS has no responsibility for the safety of me or my family members and I take all responsibility. Should an accident occur, I am fully responsible for all the members of my family and myself.
