

Facility Use Guidelines During Covid

We would like to continue to offer the BIS community the opportunity to stay active by opening our facilities for families to use after school hours and on weekends, when they are not scheduled to be used by BIS. The goal of these guidelines is to balance the use of the school as a civic center with the need to maintain appropriate and safe use of the facilities.

BIS continues to practice strict preventive measures against the spread of COVID to ensure the safety of the whole community and beyond. We kindly ask everyone to adhere to the guidelines below to book and enjoy the use of the school's facilities:

BIS Community Member Use of Facilities & Waiver

Each time you come, you will be required to sign your name on the waiver provided in the security office. It is imperative that an adult provides direct supervision. Use of the facilities is limited to 12 people at a time for the covered court and field. The pool will have a limit of 6 people at a time, one per lane. Facilities are available on a first come first serve basis and are no longer required to be booked in advance. **Please note: facilities may sometimes be unavailable during these times for school supported events.**

Weekdays	Weekends
