Potluck dinner reminder: Don't miss our PTA organized Pot-Luck Dinner on Friday 01st September from 1700 onwards in the covered court. Please come along to get to know our teachers better and to share some food and a few beverages. More details on the PTA page. Sorry, no children for safety and security reasons!

EOTC: Thank you for all being so supportive of our EOTC week. At the time of writing, the week was very successful. Students engaged in a number of activities that juxtaposed perfectly with our service as action components of all our programmes. Please show your appreciation to our faculty and staff when you see them. This was a classic example of our [mission in action](#). Next up, how we can build on the EOTC with our new found

association to the prestigious Duke of Edinburgh award.

Food providers: we are currently engaged in discussions with another food provider who will potentially be able to join us in the near future. We continue to seek out food providers who can enhance the current amount of vegetarian options to our community. If you are a food provider, or know of eligible food providers, please contact us.

House colours reminder: please recall that our House colours are to be worn on Fridays. We take great pride in our house system and as intimated during orientation, this year, we will be further developing our house system with more events and initiatives. If you do not already have a house t-shirt, feel free to drop by the office and buy one, thank you. Thursday is BATIK day.

Helmets: we are concerned that there are a minority of parents who bring their children to school with no helmet. While we cannot enforce the law, we do strongly request that you not only abide by the law, but more importantly, you literally protect your child's life by ensuring that they wear a helmet. A fatal head injury can result at any speed, even when stationary, not just at high speed. Please, role model safe and responsible practice.

slides from Curriculum workshops can be uploaded for parents to access after the event (or if they are unable to attend).

It has just been set up, so there isn't much there just yet but hopefully once established it will be a helpful tool for parents and staff! [Tap here to view the Parent Resources Folder](#)

Grade-3 Extended Evening

The most-awaited event for grade 3 had finally happened! Our learners were all set to enjoy the experience of staying back after school and participated in all the challenging engagements to embrace the Learner Profile Attribute 'Courageous' to a great extent. They enjoyed relishing the yummy pizzas, fruits, and ice-creams. We even had tremendous joy playing the ice-breakers, human knot, five senses nature scavenger hunt, getting creative with origami art, mindfulness alert, and finally the game changer ' Wacky Fashion Show'. It was so inspiring to watch the manner our learners showcased collaboration, creativity, and confidence to put up a great show. The final dance moves were the spotlight of our extended evening as all kids came up with their favorite steps and moves. Our grade-3 students had the most wonderful experience which they will cherish forever.
