Lunch providers: we have a new lunch provider who would like to start orders as of next week. The name of the provider is Asian Pantry and their menu may be found at the end of the newsletter. We continue to work with other providers so that our students benefit from affordable, diverse, but healthy menus.

Absences: recall that we have a holiday on Thursday 28th September, but return to school on Friday 29th. Please do not take this as an opportunity to have an extended weekend as assessments are ongoing as we move towards the conferences in October.

House colours: please do ensure that your child/children wear House colours on Fridays. As already mentioned, our House system is being developed and promoted even further this year with more events linked to earning house points.

Safeguarding: In an attempt to further demonstrate commitment to our safeguarding protocols, we have signed up to www.childsafeguarding.com for all our staff and faculty. Phase one will involve all our non-teachers, e.g. Satpams, cleaners, admin staff etc. receiving professional training in this area. Phase two will involve further training for our teachers.

Core values: as perhaps you may be aware, we derive our [core values from the IB learner profile attributes](#). Please do engage in meaningful conversations with your child/children about how they believe they are demonstrating these core values. By doing so, this will demonstrate to them that you are invested in these values and when possible, reference them as a role model when you yourself demonstrate them. They will love to hear you say, “Hey, I’m open-minded”, “I’ve been reflective today about...” etc

We are looking for student and parent volunteers to help form a working group to redesign our school uniform in collaboration with STUCO

If you would like to help take part in this initiative please contact STUCO at npecquery25@baliis.net or bisstuco@baliis.net.

In collaboration with STUCO, (Student Council), our students and parent volunteers, we are looking to form a working group to redesign our school uniform. The 2024 National Geographic Slingshot Challenge Opens For Submissions On September 20!

The National Geographic Slingshot Challenge empowers students to be change-makers and find solutions to the world's top environmental issues. We're challenging 13-18-year-olds to create a one-minute video with their solution to our current environmental problems. By joining the challenge you'll receive opportunities to meet with National Geographic Explorers. This is a great opportunity for students to be involved as part of their Service as Action in MYP and CAS in DP. For more information please visit Ms. Carolyn and Mr. Andrews.

World Scholars Cup Global Round 2023

We are thrilled to announce that an exceptional group of eight Bali Island School students have returned victorious from the World Scholars Cup Global Round in Bangkok.

Seo-yeon Bang, Caspia Nadapdap, Thomas Ward, Mandalay Jensen, Eden Lin, Anna Koelsch, Se Bin An, Kiva Jensen

From September 1st to September 6th, these students not only participated but excelled as they competed against other 3500 regional round winners from all over the world in four main events: the Scholar's Bowl, the Scholar's Challenge, Team Debate, and Collaborative Writing. Under this year's theme of [Reconstructing the Past](#), these events tested students' knowledge across a wide range of subjects including history, social sciences, natural science, technology, arts and music, literature, criminology, sociology, archaeology, and anthropology.

Our students showcased their intellectual prowess throughout the competition, amassing a remarkable collection of 16 gold and 25 silver medals. In the riveting debates and challenging rounds, they earned distinctions for their team performances, underscoring their exceptional proficiency in communication.

Their individual accomplishments, however, are equally remarkable, with two gold medals in history, an impressive six gold medals in debating, and five gold medals in writing. With these remarkable achievements, all 8 BIS students qualified for the prestigious Tournament of Champions at Yale University in the United States!

Throughout their preparation and execution of the competition, these students unequivocally showcased themselves as open-minded and principled inquirers, thinkers, communicators, and risk takers. We could not be more proud of these students for the many IB Learner Profile attributes they demonstrated, with their achievements acting as testament to their dedication and hard work.

We extend our heartfelt congratulations to all of these outstanding students, who have not only demonstrated their commitment to academic excellence but have also brought pride and distinction to Bali Island School.

BSSA

Dear BIS Community!

This week, the East Side BSSA family got together to have our round robin tournaments for the 9 to 15 year groups.

The 9-10's tournament, hosted at BIS, was so much fun! All coaches and spectators were really impressed by the level of skill, sportsmanship and teamwork displayed by our female and male teams. Our Boys A and B teams as well as our Girls team qualified to play the semi finals of BSSA next week. This tournament will also be hosted at BIS. Please make sure you come to cheer for our Dragons!

The 11-12's tournament, hosted at Dyatmika, was really competitive, with a few of the games ending in a tie and a dramatic and unlucky penalty shootout. Both Boys and Girls teams displayed great effort, giving their best in every action. In the words of our 11-12 boys captain Gibran; "we have improved so much!". The coaches and student-coaches were so proud of them despite not being able to qualify for semi finals. The players demonstrated that football at BIS has a bright future!

The 13-15's tournament, hosted at AIS, was incredibly even! Most of the games ended in penalty shootout after the teams tied during the regular time. Coach Klaus summarised it really well when saying to the A and B team that no team could beat us during the regular game time! Penalty shootouts are like flipping a coin - you need a lot of luck to win those and we weren't so lucky today. Both Girls teams put in a lot of effort to secure 5 victories in total, and therefore they qualified for the semi finals next week.

Next week, the teams that qualified will play the semi finals, the teams that did not, will have a rest. Therefore, these are the teams playing next week

9 - 10 year old semi finals and finals hosted at BIS:

- 9-10 Boys A (BIS 1) will play the semi finals
- 9-10 Boys B (BIS 2) goes straight into the final
- 9-10 Girls will play the semi finals

13 - 15 year old semi finals and finals hosted at Dyatmika

- 13 - 15 Girls A team (BIS 1) will play the semi finals
- 13 - 15 Girls B team (BIS 2) goes straight into the final
