MESSAGE FROM THE HEAD OF SCHOOL

By Mike Miller

The end of the first term already! Today marks the end of an action packed first term. There have been some amazing achievements, much too many to list here. However, some notable highlights have been an amazing EOTC week, World Scholar's cup success, BSSA Girls 13-15 Football champions and some amazing assembly performances from students in all three IB programmes. Excuse me if I missed any other major highlights! Please, do take a moment to reflect on what we are achieving. It is sometimes easy to lose sight of what is being achieved over what is not being achieved. Our students, your children, are accomplishing some amazing learning, courtesy of our wonderful faculty and staff, and they are continually growing and developing. Please help us further nurture and instil confidence in them by sitting down and reflecting on

their successes, and the school's successes.

(World Scholar's cup success)

As we move forward this year with improving our experiential learning, our secondary students will have the opportunity to further engage in outdoor experiences via the prestigious [Duke of Edinburgh award scheme](#). Please speak to Mr Javi, student life coordinator, who can provide you with more information about this truly amazing chance to further get in touch with nature and learn more life skills that can be applied in a variety of situations.

[This is a true demonstration of our mission in action](#)

(Whole School Assembly)

Next academic year 2024-25, will see the staff and faculty fully engaged in preparations for the visit in 2025. This means that we will most likely need to introduce some additional half-days in order to achieve and accomplish the tasks required to satisfy a rigorous synchronised and joint visit by CIS/WASC and IB. This will be shared via the academic calendar which we will release over the coming months. Such changes are normal practices in international schools to prepare for such important events and we appreciate your understanding in allowing us to have focused collaborative time to prepare our school for the visit.

Solemen: please do feel free to drop some non-perishable food stuffs in

the collecting box situated outside the main office.

(Grade 2 Unit Celebration)

The community's response in keeping down unauthorised absences before holidays and long weekends has been nothing short of awesome! Thank you so much. It has had a very positive impact on the assessment and reporting procedure. Please do help us keep this positive change by noting that the next holiday is Friday 17th November, which is preceded by a half day on Thursday 16th November. However, Thursday 16th November is a normal school day, albeit a half day. Additionally, we break on Friday 15th December at 1200 for the December break, and we kindly request that students are in full attendance until this last day. Thanks in advance for acknowledging and respecting these dates.

HELP US DESIGN OUR NEW SCHOOL UNIFORMS!

We are looking for student and parent volunteers to help form a working group to redesign our school uniform in collaboration with STUCO

If you would like to help take part in this initiative please contact STUCO at npecquery25@baliis.net or bisstuco@baliis.net.

In collaboration with STUCO, (Student Council), our students and parent volunteers, we are looking to form a working group to redesign our school uniform. The initiative is entirely student driven and any parents or students wishing to be part of this working group should contact our STUCO reps at npecquery25@baliis.net or bisstuco@baliis.net.

A NEW Addition to Student Support for Secondary Students - Bali Island School-Learning Lab

Bali Island School offers a variety of support services. One new addition is a Learning Lab for all students in the Secondary School. The Learning Lab is mandated/ or self selected based on student performance or student academic, language, social-emotional, or behavioural needs.

Why: Some students may need additional study plans, work on executive functioning, planning out assignments, organizational skills, or overcoming procrastination.

Mandated attendance may be for one assignment (one-off), or for a determined length of time (one term), or on-going for the entire school year. While teachers may provide extra help at their discretion throughout the school day, our Learning Lab happens Monday, Wednesday, Thursday, and Friday from 3:00 PM – 4:00 PM.

Learning Lab is not a punishment. It is a built-in support system to ensure that students have the ability to complete their work with the support of a teacher in a quiet designated space. Students are signed up by their subject teachers, MYP/ DYP Coordinator or the DHoS. Or students can self-select to attend. There will be a dedicated teacher working in the Learning Lab on the designated days to help students maximize their learning opportunities.

Primary StuCo Spirit Week

Primary StuCo is excited to invite all students to join us for Spirit Week from October 30th to November 3rd.

We have a fun-filled week of dressing up planned:

- Monday, October 30th: Pyjama Day
- Tuesday, October 31st: Opposite Day

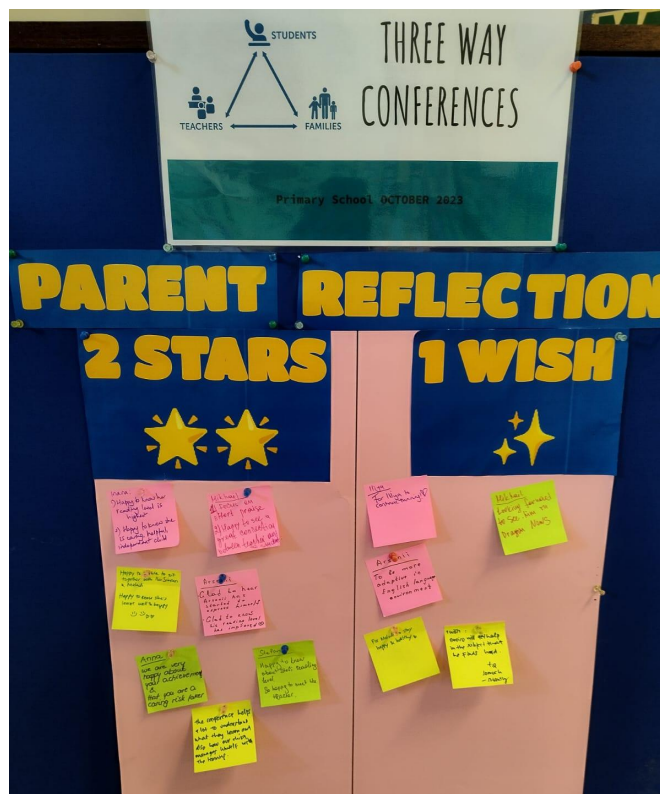

- Wednesday, November 1st: Wacky Wednesday
- Thursday, November 2nd: Superhero Day
- Friday, November 3rd: Frightening Friday (no blood or weapons, please)

On Friday, November 3rd, Spirit Week will culminate in a Halloween Disco in the covered courts (KG-G2) and a Halloween movie in the MRP (G3-G5). Tickets are priced at 40k per student and include a drink and popcorn cup. Tickets will be available for purchase from October 16th to October 20th. Please inquire with your homeroom teachers about ticket sales.

The Three-Way Conferences

Grade-3/4 kick-started the Three Way Conferences with thought-provoking interactions and kept the power of collaboration as the first priority. The Three Way Conferences allowed us to celebrate our learners' learning by identifying their goals that will improve their progress. It indeed gave a productive time for students, parents, and teachers to share the learner's successes as well as to collaboratively discuss ways of supporting learners in achieving their goals. As part of our reflection, parents were engaged to share their insights, and feelings about the conference by sharing feedforward using 2 Stars and 1 Wish.

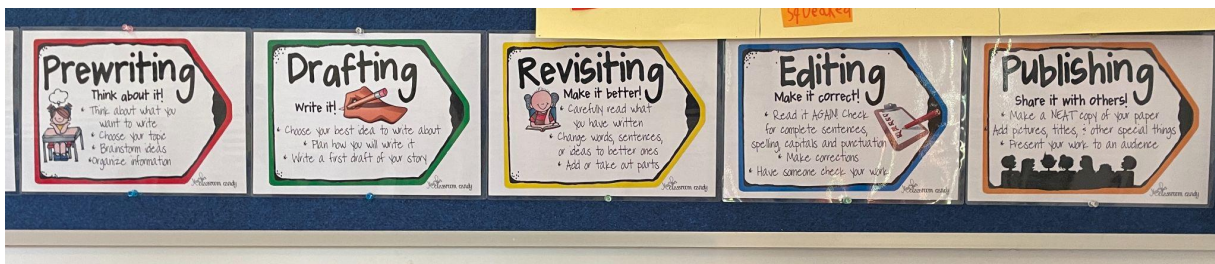

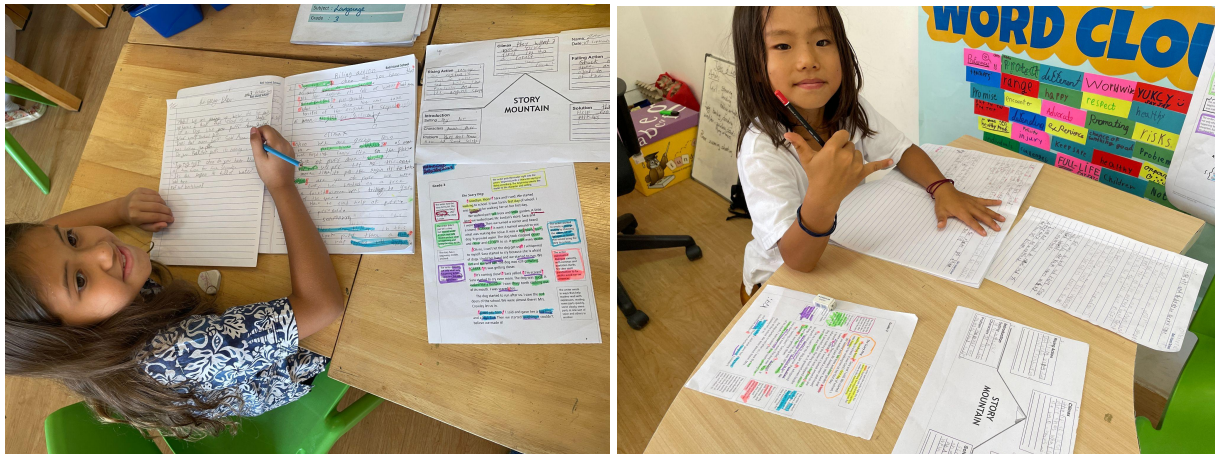

G3 - Writing Process

Our Grade 3 writers have successfully completed their first narratives using the writing process. Throughout this process, they have engaged as writers in pre-writing, drafting, revising, and publishing to create remarkable stories. We specifically focused on enhancing their dialogue, crafting captivating leads, and incorporating transitions to show a change in time.

During the pre-writing stage, students brainstormed ideas, developed characters, and outlined the plot. In the drafting phase, they brought their stories to life, carefully crafting engaging dialogue that revealed their characters' personalities. During the revisiting and editing stage, they improved their narratives by trying to add transitions to smoothly transition between different time periods within their stories. Then it was time to check their punctuation and try to correct their spelling.

Finally, after careful editing and proofreading, they proudly published their narratives and read them to a classmate.

We are immensely proud of their progress and growth as writers.

Co-Curricular Activities (CCA Term 2)

We are very happy to inform you that the Term 2 CCA Booklet is [HERE](#), featuring all the Co-Curricular Activities on offer for both Primary (Kindy - Grade 5) and Secondary students.

Students sign up using the [BIS Term 2 Co-Curricular Activities Sign Up Form](#).

We have Outside Providers, if interested, please sign up directly with the instructors.

Primary students need to have supervision of a parent or guardian during activities carried out by Outside Providers.

Sign-ups should be completed by Wednesday, October 18th by the end of the school day and ready to start activities from Monday, October 23rd. Students will need to be collected from the front main gate of the school (north gate).

Term one is at an end and what a busy start to the school year it has been as we all get back into the swing of things and settle in!

With only two events this term (Commencement morning tea and the Potluck dinner) the PTA has been busy in the background planning our events schedule for the year ahead.

Coming up from the PTA next term:

- Providing support for the Primary STUCO Spirit Week disco & movie night (Fri 3rd November) [Please join this WhatsApp group if you'd like to help volunteer](#) to help with the Spirit Week events.
- End of Semester Holiday Fair (Fri 1st December)
The next planning meeting for the Holiday Fair will take place on Thursday 19th October after drop off at Batujimbar Cafe. All are welcome!
- Stall & BBQ at the BSSA Volleyball finals (Thur 7th December)

BIS Silicone Swimming Caps

Dive in with style! Our BIS swimming caps are now available at just IDR 200,000 each. Designed for comfort and quality, these 'seamless silicone' caps (65gm) feature the iconic BIS dragons logo in either Blue with gold print or Yellow with blue print. Grab yours today and elevate your swim game!

To purchase please contact Liza Latif (BIS parent) via whatsapp (messages only) at 0811-828-600 who helped organise the caps production.

Parent Resources Folder

We have just set up a 'Parent Resources Folder' where staff can upload any presentations or documents that they would like the parent community to access openly. For example, PDF slides from Curriculum workshops can be uploaded for parents to access after the event (or if they are unable to attend).

It has just been set up, so there isn't much there just yet but hopefully once established it will be a helpful tool for parents and staff! [Tap here to view the Parent Resources Folder](#).
