MESSAGE FROM THE HEAD OF SCHOOL

By Mike Miller

School calendar 2024-25: You may find the calendar for next academic year 2024-25 here [in this link](#). We hope that this will allow you to make appropriate travel and other logistical arrangements.

School closure-half day: Please recall that NEXT Friday 15th December is a half day. School will close at 1200. Please don't forget to pick up your children. 'Forgotten' children may be used as Santa's helpers during the break.....

Food Court tender; in the interests of creating healthier competition, value and diversity, I shall be offering and opening the Food Court (currently occupied and run by Funbites) to tender. The current contract runs until June 2024. Therefore, in January 2024, I shall share exact details of what the conditions of the tender are to include, along with a

few other expectations and pieces of useful information. The new contract will thus commence in August 2024, in alignment with the start of the new academic year. All interested parties are invited to submit a tender.

(BSSA Volley)

Campus security and classroom disruption: in accordance with what our parent-student handbook already states, 5.8, "outside deliveries of food are not permitted, including deliveries from home". Therefore, please be aware that as of January 08th, to uphold this direction, we

will not permit any external food deliveries to be delivered to school. The only exception are the registered food delivery providers who are signed up to BIS. This will help us maintain security at lunchtime as our Satpams are currently being distracted from their duties with food delivery orders, creating security risks. Additionally, as previously stated, this includes home deliveries. The reason being is that we have had an upsurge in food

deliveries from home with parents and drivers coming onto campus before lunch. The presence on campus at that time is distracting for many classes and students. Therefore, please do respect what the handbook already states and either-send your child with a packed lunch, or, use the pre-approved food suppliers. Thank you so much for helping us maintain our security level

(Preschool A&B Unit Celebration)

Library Update

Happy to share our VERY MERRY CHRISTMAS BOOK LIST! Come check out some of the books to ring in your holiday season! 🎄👤

A Very Merry Christmas Book List
From Ball Island School Library

The poster features a dark blue background with a lighter blue wavy pattern and small white stars. At the top center, the text 'BIS' is in a stylized orange font with a small crown icon above the 'i'. Below it, 'Book Week' is written in large, bubbly orange letters with a white outline and a honeycomb texture. Underneath, 'Primary & Secondary!' is in a similar orange font with a white outline. Several open books are illustrated: one large book is at the bottom center, and three smaller ones are floating around it. A yellow book cover is also shown in the top right corner.

BIS Book Week Primary & Secondary!

15 - 19 January 2024

Book Fair : 17 & 18 January

Celebrate Book Week with daily reading activities including the Mother Tongue Picnic, Book Fair, Living Library & Book Character Parade!

LIBRARY REMINDER

Dear Bali Island School Community,

As we approach the end of the term, we would like to respectfully request all ✨ students, parents, and teachers to return any library books that are currently overdue.

Please take a moment to search your homes and classrooms for any library materials that have not been checked out or renewed recently. For those who wish to extend their access to the current selections, we encourage you to renew your books in the library. ✨ ✨

We appreciate your cooperation and wish everyone a successful conclusion of the term.

Best regards,
BIS Library

PTA

Holiday Fair

This time last week the biggest PTA event of the year, the Holiday Fair was underway.

What a mammoth event this was, full of festive spirit and hopefully featuring something fun for all members of our community!

The Community Giving Tree was such a beautiful focal point of the event and we are so proud to share these gifts with local underprivileged children via the Ragam Foundation. Thank you BIS community for such generosity.

The Silent Auction for Primary Class Artwork showcased 11 marvellous masterpieces from our PYP classes, sparking a lively bidding competition among parents and ultimately raising an impressive total of 6,981,000RP for the PTA Philanthropy fund!

The PTA thanks our incredible PYP teaching staff and the student artists who created these stunning artworks. We'd also like to thank and congratulate all bidders for supporting such a worthwhile cause.

2023 PYP Art Auction

The Great BIS Bake-Off was a great success with 15 delicious desserts wowing the judges! Thank you to all of our participants and congratulations to the winners.

We have received so much wonderful feedback from our market stallholders and hope that the market was profitable for all who participated. It is a wonderful opportunity to introduce these exciting local businesses to our community for what is hopefully an ongoing relationship.

The Secondary Spirit Showdown was an exciting addition to this year's Fair. This was such a fun activity to plan and hopefully an even more enjoyable one to participate in, with students keen to keep racing even while it was being packed up. Our scoring fell by the wayside as colourful chaos ensued at the finish line!

Cookie decorating, bouncy castles. Face painting, icy pops and tasty snacks rounded out the very busy afternoon, hopefully everyone was able to rest off the sugar rush over the weekend!

Thank you to all guests who turned out to support this event. We hope that you had a wonderful afternoon.

As always, our wonderful Pak Wawan and the Facilities Team staff were instrumental in bringing everything together and we cannot thank them enough for their hard work for this and all of our PTA initiatives.

Special thanks go out to all of the parents, teachers and students who volunteered their time to help us with this massive event - these events are impossible without volunteers and we are so so grateful for your help and support of the PTA to bring our BIS community together.

Change of PTA Meeting Date

Please note the revised date for the December PTA meeting. The meeting had been scheduled for the 6th but will now take place on the 12th.

Parent Information Session - Assessment in the PYP

Thank you to those of you that were able to join me in the MPR for our interactive session on understanding Assessment in the PYP.

For those of you that couldn't make it but would like to learn more about assessment, please check out the slides from the presentation [here](#).

Digital Citizenship

Thank you to several parents for raising their concerns about the use of technology in the primary school. Within the primary school we strive to use technology in a balanced way that enhances learning while also building skills off line. I would like to share a few ways that you as parents can support us as we work towards empowering our digital citizens to make the best choices in their learning.

I would like to reshare the [Common Sense Media](#) website for parents. This is a wonderful site packed full of resources to support families in making the best choices in relation to technology. They provide review and ratings on movies,

apps and games that can help you to make the best choices for your child related to their age and interests.

Coming up to the break, many families have mentioned that balancing media usage can be challenging. Here are some suggestions from the Common Sense website.

This week in some of the upper primary classes we worked on the Rings of Responsibility

OBSERVE + ANALYZE IMAGE

The Rings of Responsibility

- A. What responsibilities do you have to **yourself**?
- B. What responsibilities do you have to **your community**?
- C. What responsibilities do you have to **your world**?

The Rings of Responsibility encourage students to identify ways to be responsible for the choices that they make both in person and online connected to themselves, their community and the world.

Before we break up for the holidays, taking time to establish boundaries with your families in relation to technology is a useful strategy. Please see the activity below which provides supporting questions that families can use to establish agreements in relation to use of technology.

Common Sense Education also share some great tips to support families find their Media Balance. These suggestions are suitable for all primary aged children.

GRADES 3–5: DIGITAL CITIZENSHIP FAMILY ACTIVITY

Media Balance & Well-Being

MEDIA BALANCE & WELL-BEING

We find balance
in our digital lives.

Digital citizenship: Thinking critically and using technology responsibly to learn, create, and participate

Instructions

It's important to stay aware of how our on-screen and offscreen activities fit into our lives. Do a media balance checkup on your family. Get one or more family members together to help. Read the setup before doing the activity together!

Setup

Read aloud: We balance the food we eat to stay healthy. We also need to balance our media use. Media includes the shows and videos we watch, the video games and apps we play, and the music we listen to. Let's answer questions to see if our media use is balanced. Then we can decide if we want to make some changes.

Activity

Read aloud: Let's answer these questions together.

- Do digital devices (phones, tablets, TV) ever keep us from getting enough sleep?
- Do we use them while we eat?
- Do we do activities together without devices?
- Do we ever use them together?
- Does our digital device use ever cause fights? If so, what are the fights about?
- When we use our devices, how is it fun? What do we learn?
- Is there anything we want to change about how we use our devices? If so, what?

Does the way your family uses media feel balanced and healthy? Give a thumbs up or thumbs down. Does your family agree? If you want to make changes, what are they? Think of changes that work for the whole family since you're all on the same team!

Learn more ways to find balance in your digital lives at commonsense.org/family-tips-on-media-balance!

Help Kids Balance Their Media Lives

From phones and tablets to streaming movies and YouTube, tech and media are everywhere. Kids love easy access to shows, games, and information. Parents and caregivers love that kids can learn on the go (and stay busy when dinner's cooking). But it's easy to overdo it when the phone never stops pinging and the next episode plays automatically. Families can keep media and tech use in check by following a few simple practices.

Check out these 5 tips 

1

Create screen-free times and zones.

Help kids take breaks from tech by limiting screen time in bedrooms, during study time, or at the dinner table.

2

Try parental controls.

Set content limits that make sense for your family. Alongside conversations about healthy media habits, use features such as content filtering, privacy settings, and time limits offered by the apps and platforms your family uses to help manage access and exposure to media.

3

Establish clear family rules.

Decide together what kind of media and tech is OK -- and when it's OK to use it. A family media plan can help get everyone on the same page.

4

Watch and play together.

Choose quality, age-appropriate media to enjoy with your kids. Visit commonsensemedia.org to find shows, games, and more.

5

Help kids identify healthy behaviors.

Practice talking about feelings -- both physical and emotional -- during screen and non-screen activities.

MEDIA BALANCE & WELL-BEING

Wishing you a balanced break spending time making memories.

Dear BIS Community!

After a full day on Thursday, excitement is building as our Volleyball Senior Team gears up to showcase once again their unshakable effort and commitment at the first-ever Bali Island Volleyball Invitational Competition (BIVIC) this weekend!

Why BIVIC?

At BIS, we understand the unique passion and dedication our volleyball players bring to the game, and we believe it's time to showcase their exceptional skills beyond the boundaries of BSSA. While other sports enjoy regular tournaments with IISSAC, we recognized the need for a platform dedicated to volleyball enthusiasts.

Event Dates: Saturday, 9th - Sunday, 10th December

Where?: at BIS.

See the [SCHEDULE](#)

What is our vision?

With a bold vision to broaden our horizons, BIVIC debuts humbly this year with a weekend tournament at our school. This year's event includes two traveling teams from Java and Sumbawa, alongside representatives from other BSSA schools and a local team.

Our ambition doesn't stop there! Our goal is to elevate BIVIC to new heights, aiming to welcome five traveling teams from various islands in the coming years. This expansion will foster a vibrant exchange of talent and cultivate a spirit of friendly competition that defines the essence of BIVIC.

Let's unite in supporting our players and make BIVIC an annual spectacle of excellence and camaraderie!

See you all this weekend!

Best regards

Javier Lamas

Athletic Director

Keeping Our Children Safe

Online: Parent Workshop

The presentation covered the essentials of online safety, focusing on prevention, response, and defining online harm. Parents were briefed on proactive measures such as communication, setting guidelines, and educating children about responsible online behaviour.

In addressing online harm, key points included recognising signs of distress in children, staying vigilant, and understanding the evolving nature of online risks. The presentation also highlighted the importance of swift responses, emphasising reporting mechanisms and available support resources.

Handling conversations about pornography was addressed delicately, emphasising open communication, setting boundaries, and educating children on appropriate online content. Parents were encouraged to foster a safe space for dialogue, ensuring a balanced and informed approach to discussing sensitive topics.

Please see a link to the presentation below:

Invitation to Attend the Grand Finale WebiFair of 2023 - Worldwide WebiFair!

We are excited to extend an invitation to you and the students of Bali Island School for the grand finale of our virtual university fair series in 2023 – Worldwide WebiFair. This event will bring together 12 institutions from five countries, providing an opportunity for students to explore their higher education options directly with representatives from these esteemed universities.

Event Details

Date: Saturday, 9 December 2023

Time: 5:30pm - 7:30pm IST/ 4:00pm - 6:00pm GST/ 7:00pm - 9:00pm ICT/
12:00pm - 2:00pm GMT/ 9:00am - 11:00am BRT

To make it convenient for you, you can check the corresponding time in your timezone by clicking: [this](#)

We kindly request you to share this exciting opportunity with your student and parent community by distributing the attached soft copy of the event poster. Closer to the event date, we will send you an updated poster and key highlight document to keep your community well-informed.

Event Registration and Details: <https://worldwide.webifairs.com/register>

University of Oxford - Schools' Christmas Chemistry Conference

SCHOOLS' CHRISTMAS CHEMISTRY CONFERENCE
A Quantum Christmas Robin

Join us for a merry afternoon where Professor Peter Hore FRS will discuss how small migratory songbirds navigate using a sensitive internal compass which relies on a quantum mechanism in their eyes.

Tuesday 12th December 2023, 15:45 – 16:45 GMT
Open to KS5 Chemistry students aged 16-19 years, their teachers and parents.

For attendance online, registrations must be received at bit.ly/AQuantumChristmasRobin by 11:00, 12th December, at the latest.

Organised by the Department of Chemistry and Trinity College, Oxford

Please do share this with any of your students who might be interested. Further details below:

The Department of Chemistry is hosting its first Christmas Chemistry Conference - A Quantum Christmas Robin, on the 12/12/2023 at 15:45 – 16:45 GMT.

Small migratory songbirds are extraordinary navigators: weighing less than 30 grams, they fly thousands of kilometres, alone and at night, ultimately with centimetre precision. To do this they use the sun and the stars, their sense of smell and physical landmarks but they can also perceive the direction of the Earth's magnetic field – an internal compass.

In this lecture Professor Peter Hore FRS will discuss the theory that the birds' magnetic compass relies on a quantum mechanism in their eyes that is much more sensitive than previously thought possible. This work could have major implications for conservation, navigation and how we think about the robins and other small songbirds we see in our gardens.

All KS5 (16-19yr old) students, teachers & parents are welcome to attend online.

Please see [here](#) for more details/how to register.

Wishing you a relaxing Christmas break.
