MESSAGE FROM THE HEAD OF SCHOOL

By Mike Miller

Half day: recall, Thursday 16th November 2023 is a half day, school will close for students at 1200. In the afternoon, staff and faculty will be engaged in professional development. Friday 17th November is a holiday.

Movember: 13 brave dudes at BIS, under the leadership of our DP teacher, Mr Chris Thompson will participate in Movember. [Movember](#) raises funds for male victims of mental health and suicide prevention, prostate cancer and testicular cancer.

What will we do? In line with Movember tradition, we will grow our moustaches during the month of November, in a show of solidarity, aiming to raise cancer and mental health awareness.

Please, for the cost of a coffee, help us beat cancer, help us support those

who suffer from mental illness etc by donating. We're counting on YOU! Either scan the QR code or click on [this link](#) to donate the cost of a coffee, (or more!) You can either donate to the whole team or, choose an individual to donate to. Either way, the money goes to the same cause. Spread the word by sharing please.

(13 brave dudes at BIS)

Government elections: as perhaps you may be aware, government elections are to take place on Wednesday 14th February 2024. In this case, by law, the school must close in order for voters to be given enough time to vote. Please take this as advice that the BIS will be closed on Wednesday 14th February to facilitate this.

(BIS Blood Drive)

Code of conduct: thank you all for the kind assistance you offered in helping us translate the visitor “Code of conduct”. We hope to have this in operation in the coming weeks.

(Art Sharing)

CIS survey: we now have the survey ready for parents. You will receive an official email with a link to the survey in the email. However, should you miss the email, [you may access the survey here](#). Please do complete the survey, we are aiming for a 70% return in order for our data to be considered reliable and valid. Recall, we will use this data to inform us of our upcoming Pathway 2 journey, which focuses on well-being. Thanks in advance.

Recall-Community events: in December, the PTA will be holding a holiday fair. The goal of the event is to celebrate community togetherness and to celebrate the end of Semester 1. Please lend your support to the school community by attending this fantastic event on Friday 01st December, from 1445 to approximately 1730

BIS Business Directory

Do you have a business in Bali that the community should know about? We'd love to create a directory of the businesses operated by parents & staff in our BIS community so that we can help support one another and create networks!

[Please complete this form to add your business info to our community directory.](#)

Parent Resources Folder

We have just set up a 'Parent Resources Folder' where staff can upload any presentations or documents that they would like the parent community to access openly. For example, PDF slides from Curriculum workshops can be uploaded for parents to access after the event (or if they are unable to attend).

It has just been set up, so there isn't much there just yet but hopefully once established it will be a helpful tool for parents and staff! [Tap here to view the Parent Resources Folder.](#)

CAS : SHOE DRIVE

My name is Lana and I am hosting a shoe drive that started on November 1st and will continue running until the 13th of December.

In this project I am collaborating with Noemie and Mischa in our Art Department who have been the greatest support and helped with the project running smoothly.

Our objective is to repurpose shoes from our BIS community and donate them to young skaters who cannot afford them at the [Salty Wheel](#) skate park, located in Lakey Peak Sumbawa. Salty_Wheel skatepark is a skatepark project that I initiated during Covid. With this skatepark I wanted to create a

foundation that will support the many talented, energetic kids and help them learn, skate and gain experiences through having fun and to help them have a brighter future.

One of our struggles however, is a lack of resources. That is why I want to collaborate with the BIS community, because it is a great opportunity for all of us to recycle our old/unused shoes, to bring the biggest smile to the kids in Lakey Peak. We can do this together, one shoe at a time for a better future.

Cranes for Hope!

From October 16-20, Alexis, Lana and I (Keiko) from the class of 2025 hosted an event called Cranes for Hope! Cranes for Hope is a donation project where students, parents and teachers fold and hang paper cranes as symbols of their donations towards childhood cancer. We chose to work with Yayasan Peduli Kanker Anak Bali (Bali Care for Cancer Children), a non-profit organisation that helps children with cancer around Bali get the facilities, medication and education they need. The event ran for 5 days, and was run fully by student volunteers from Grades 10-12. With the help of the Bali Island School community, we are very proud to say that we were able to raise Rp.8,401,000 for YPKAB, and were able to hang 1001 cranes! As paper cranes are a symbol of hope, we hope that our project will provide a bit of extra hope to the children at the foundation, and encourage others to help spread hope to people in need.

Primary Spirit Week

Firstly, we'd like to express our heartfelt gratitude to all the students and parents for their incredible participation and unwavering support during Spirit Week. A massive thank you to the teachers, not only for taking part but also for encouraging your students to engage in the fun. Additionally, a big thank you goes out to the PTA parents who generously volunteered their time and efforts to help facilitate this event.

Throughout Spirit Week, students had an amazing opportunity to express their unique personalities and unleash their creativity through their imaginative costumes. This event wasn't just about dressing up but also about fostering a sense of togetherness within our community—uniting students, parents, and teachers in the excitement of our school spirit.

Beyond creative costumes, Spirit Week encouraged students to take risks by trying new activities they might not have attempted before. On Friday, November 3rd, our primary StuCo members organised exciting games for everyone to enjoy, including cobweb bean bag toss, spooky hula hoop, and Halloween tattoos.

The finale of Spirit Week was marked by a Primary Halloween Disco Party in the covered courts for KG-G2 and a Halloween movie screening for G3-G5. As popcorn was munched and drinks were sipped, fun was had by all!

We're already excited about the prospects of next year's Spirit Week. Please feel free to drop any suggestions that can help us make it even better for the coming year. Thank you for your incredible support!

Warm regards,
The Primary StuCo Team

Building a Strong Foundation: Creating an effective kindergarten experience.

By: Ms. Whitney Cabral.

I am sure we can all agree that the early years of a child's education set the stage for a lifetime of learning. Creating an effective kindergarten experience involves nurturing a positive class environment, fostering a sense of community among students, and building strong partnerships between parents and teachers. This is how we have adapted these essential elements to contribute to the holistic development of our young learners.

1. Class Environment:

A welcoming and stimulating classroom environment is the cornerstone of a successful kindergarten. I like to call the environment “the third teacher”, this is why we have purposely incorporated calm pastel colors, interactive learning corners, and age-appropriate resources to create a space where children feel safe, inspired, and ready to explore. In our class, students are encouraged to express themselves creatively, ask questions, and engage in hands-on activities that enhance their cognitive and social skills. Research shows that a thoughtfully designed classroom becomes a second home, where curiosity is sparked, and a love for learning is cultivated.

2. Sense of Community:

Fostering a strong sense of community within the classroom is paramount to a child's emotional and social development. Here in Kindy is where young learners begin to understand the value of friendships, empathy, and cooperation. Through collaborative activities, group discussions, and team projects, our students learn the importance of working together and respecting one another's ideas and perspectives. A sense of belonging enhances their self-esteem, encouraging them to explore, take risks, and learn from both successes and failures.

3. Parents/Teacher Partnerships:

Effective communication and collaboration between parents and teachers form the foundation of a child's educational journey. As parents, you all become your child's first teachers, and your involvement in the kindergarten experience is invaluable. Additionally, it is also important to establish open lines of communication between home and school. This is why it's necessary to stay updated by regularly checking our class newsletters, and online platforms, these helps parents to stay informed about their child's progress, strengths, and areas for growth. Additionally, involving yourself in school activities, volunteering opportunities, and classroom events strengthens the sense of community and creates a supportive network for both children and adults.

From experience, I can say that when parents and teachers work hand in hand, children benefit from a seamless transition between home and school,

reinforcing essential values, behaviors, and learning experiences. Together, we can nurture your child's curiosity, resilience, and enthusiasm for learning, laying a solid foundation for their future academic achievements and personal growth.

In conclusion, constructing an effective kindergarten experience goes beyond academics; it encompasses creating a positive class environment, fostering a sense of community, and building strong partnerships with parents. By focusing on these vital aspects of kindy, we empower young learners to thrive emotionally, socially, and intellectually, setting the stage for a lifetime of educational success and fulfilling relationships.
